

No Surprise Financial Policy

Even if you have medical or dental insurance, remember your coverage is a contract between you and your insurance company. Please note: We are out of network for all insurance companies. We are a private, fee for service dental office. We do not have a contractual agreement with any insurance company. We are not a preferred provider nor are we part of a DMO network. If we were, we would be obligated to them and not to you.

We require that you pay your estimated portion at the time of service and any unpaid insurance portion will be billed to you for payment.

MISSED APPOINTMENT POLICY

Unless cancelled at least 24 hours in advance, our policy is to charge you \$50 per missed appointment. Please help us to serve you better by keeping scheduled appointments or please reschedule with 24 hours notice.

Thank you for understanding our NO SURPRISE FINANCIAL POLICY.
